

## **EXAM SCHEDULE**

### Spring 2017

All students **must** take their final(s) on the assigned date(s). Rescheduling an exam to a different day/time during the week of finals will be allowed **only** if a student has **more than two exams** scheduled the same day; these changes must be cleared through the Academic Affairs Office.

A **\$25.00 fee** is required from student granted an **Incomplete (I) grade** from an instructor. Students must complete the required form obtained from the Registrar and pay the fee before submitting the form to the instructor granting the Incomplete. All Incompletes from the Spring semester must be resolved by October 1<sup>st</sup> or the (I) Incomplete grade automatically resorts to a final grade of (F) Failure.

Grades will be mailed to students following verification from the Business Office, Student Life, Library and Bookstore that all financial obligations have been met.
