#### Handbook Changes

The policies contained in this handbook may be changed as needed. Every effort will be made to notify students in writing or by announcement of any changes which are necessary. For easy reference, you can find all University policies on the University’s Intranet at <http://webber/HandbookPolicy.htm>.

## **MISSION STATEMENT**

The University's mission is to offer students an array of business, liberal arts and sciences, and pre-professional programs of study that create a life transforming educational opportunity which is practical in its application, global in its scope, and multi-disciplinary in its general education core. Students will acquire depth of knowledge and expertise in their chosen field of study, balanced by breadth of knowledge across various disciplines. Special emphasis is placed on enhancing oral and written communication, and critical thinking skills.

The University awards degrees at the bachelor and master levels at locations in Florida and North Carolina, as well as at the associate level in Florida. In addition to our traditional undergraduate program, we proudly offer a Master of Business Administration degree program with emphasis in Accounting, International Business, Criminal Justice Management, and Sport Management. We also offer an adult education program. Traditional classroom, online, and hybrid learning environments are available. Opportunities exist for students to draw on the courses and programs of study at both locations through online courses and/or periods of residence at either campus. Webber's programs in Florida focus on the worldwide business environment, and emphasize development of skills in administration and strategic planning, applied modern business practices, and entrepreneurship. The St. Andrews branch campus in North Carolina offers an array of traditional liberal arts and sciences and pre-professional programs of study.

### **HISTORY: A Legacy from the Past, A Promise to the Future**

On April 6, 1927, Grace Knight and Roger W. Babson founded the University which carries the name of their granddaughter, Camilla Grace Webber. Roger was best known for his contributions in the areas of economics and finance, which included the establishment of Babson's Reports and authorship of a number of business publications and books. His philanthropic contributions included the formation of several institutions of higher learning and service on a number of corporate boards, as well as the endowment of several charitable foundations.

Webber was founded as a women's college, with the exclusive purpose of teaching women about business. It was the first school chartered under the educational and charitable laws of the State of Florida as a non-profit organization. Originally the Babson Park campus was only used for the Spring term, while fall classes were taught in Boston. In 1940, Babson Park became the University's permanent campus, and our student body became co-ed in 1971. Webber is owned and controlled by the Members of Webber International University, Inc., a Florida not-for-profit corporation, who also serve as the University's Board of Trustees.

In 2011, as part of its long-range strategic development plan, Webber merged with St. Andrews Presbyterian College (now operating as St. Andrews University), Laurinburg, North Carolina. St. Andrews is a liberal arts and sciences institution that has been serving students at its current location for over 50 years. By means of the merger, Webber expanded the academic opportunities and curricular offerings available to its students, extended the reach of its educational programs, and positioned itself for additional growth and service to students. In addition, the University of North Carolina Board of Governors approved interim licensure for Webber to conduct post-secondary degree activity in North Carolina (for which the required tuition Guaranty Bond, accessible for review, is held by Western Surety Company of Sioux Falls, South Dakota), and to designate St. Andrews as an additional instructional location.

Webber will continue to propagate the ideals envisioned by its founders. Built upon a solid legacy of experience and knowledge, Webber will prepare tomorrow's business leaders to meet the challenges of the future by instilling a desire for innovative thought and creative accomplishment.

Webber is a member of the NAIA and the Florida Sun Conference. Webber men and women participate in soccer, volleyball (indoor and beach), basketball, tennis, softball, cross-country, golf, track and field and bowling.

Webber is located and chartered in the State of Florida and is included among the independent colleges and universities that are exempt from Florida licensure. Situated on the shore of beautiful Crooked Lake, in addition to our classroom and administration buildings, we offer a Student Union, four dormitories, two gymnasiums, a state of the art fitness center and conference center.

Principal office: 1201 N. Scenic Highway, Babson Park, Florida 33827-0096 (800-741-1844).

## **STUDENT SERVICES**

### **Student Life**

At Webber International University, we believe that not all learning experiences take place in the classroom. Active involvement in social programs and recreational activities contribute to student's personal-growth and prepare students for life after college. The Student Life Office is designed to help students succeed in all aspects of life at Webber. The Dean of Student Life is responsible for student activities, student health services, international student advising, student counseling and counseling referrals, intramurals, and all student organizations and programming.

We believe that becoming involved in the campus community will make students feel connected to the University and will increase enjoyment of the entire college experience.

### **Career Services**

The Career Services Center provides resources for students and alumni on setting career goals and making contacts with prospective employers. Up-to-date materials on developing job search skills are available in the Career Library and at events provided throughout the year. The professional staff also counsels students in choosing career fields and establishing a plan for achieving the ultimate objective of successful employment.

On-campus recruiting by employers provides opportunities for students to meet professionals in their fields to learn about internships and full-time employment. Student attendance at regional job fairs is promoted by Career Services, which also advertises part-time and summer positions and provides internet job listings.

An annual Career Day is held each Fall Semester with employers conducting seminars and providing information and contacts for interviews.

### **Counseling**

The Dean of Student Life provides personal and academic assistance. Professional counseling is locally available, at the student's expense, for serious mental health or personal problems, drug abuse intervention and rehabilitation. Additionally, faculty members provide academic advising and the Director of Career Services provides career counseling and sponsors career development programming.

As a student in the Webber online degree program, you must have a computer system capable of running all required application software (i.e., Microsoft Office Suite) and have high speed Internet access.

**Moodle** is the online classroom management system used by Webber. Various browsers (Internet Explorer, Firefox, Chrome, Safari, etc.) interact with Moodle and remote access into our network system in different ways - sometimes not productively; therefore, Webber recommends Microsoft Internet Explorer X (8 in 2012, or higher) as your web browser.

Some of the online courses may require you to watch online videos or to create a PowerPoint slide presentation with embedded audio of your speech. The course syllabus will state whether any specialty hardware is required for the course. Specialty hardware might include:

- Sound card & speakers
- USB Microphone headset to record your speech and listen to the playback.
- USB Video camera

Some applications may require that the following programs are installed on your computer system: Adobe Flash player, Adobe Reader, Adobe Shockwave player, Java, QuickTime, etc. Programs within Microsoft Office 2016 are used in most online courses to complete assignments. If you do not have access to Microsoft Office or the individual programs, either purchase the software, or use remote access into the Webber network system and use the software on the student system.

All written documents must be submitted in Word 2016 format.

All spreadsheet files must be submitted in Excel 2016 format.

All slide presentations must be submitted in PowerPoint 2016 format.

All database projects must be created in Access 2016 format.

*\*It is possible that some courses may permit the use of earlier versions of the software; please consult your professor for specific requirements\*.*

## **The Advising Process**

The Director of Academic Planning is here to assist students in planning an educational experience that is consistent with career/educational goals, past performance, and academic needs. The Director of Academic Planning is to assist the student in planning a meaningful academic program. The Planner also keeps a semester record of each advisee's academic progress.

## **Campus Bulletin Boards**

Your PO Box will be assigned based on the Residence Hall you have been assigned to. It is important that you notify your family and friends of your school address:

It is very important that the mailing address you give your family and friends is accurate. Inaccurate or incomplete addresses will result in your mail being returned to the sender. You will receive a copy of your address when you complete the registration process. All residential student mail will be sorted and delivered to your mailbox by University personnel. To send mail, please visit the Babson Park Post Office, which is located directly across the road from the University.

- F. **Meningitis** - recommended but not required

Webber International University requires that all students have the Measles, Mumps, and Rubella (MMR) immunization prior to registration and participation in classes. Students who do not provide official documentation of the MMR immunization will be required to have the MMR immunization at their own expense when they arrive on campus.

## **Official Student Holidays**

Thanksgiving, Christmas, New Year's Day, Martin Luther King Day, Spring Break, Memorial Day, Fourth of July and Good Friday.

## Disability Services

### Disabled Student Service

The Chief Academic Officer coordinates assistance for students with physical disabilities, including assistance with registration, accessibility, parking, housing, counseling, and other individualized needs.

It is the responsibility of the student with physical disabilities who seeks assistance to identify him/herself as disabled to the Office of the Chief Academic Officer. An intake interview will be conducted and appropriate referrals made. Documentation for the disability may be requested.

In compliance with Section 504 of the Rehabilitation Act of 1973, as amended, and the Americans with Disabilities Act of 1990, Webber seeks to provide accommodations for students with disabilities enabling them to access education on an equal basis with students without disabilities. Auxiliary learning aids as well as human support services are made available to qualified students with varying disabilities. Students should contact the Chief Academic Officer's office for assistance in academic matters. The Student Life Office assists resident dorm students with disabilities concerning specific housing needs.

## International Student Service

### Change of Status

International students must have their I-20 updated by the Admissions Office if they change their area of concentration (major) or change degree program from 2 years to 4 years (A.S. degree to B.S. degree). Students who do not have their I-20 changed to reflect changes will be out of status. It is essential that the international student check-in with the Admissions Office before leaving the U.S.A. to ensure that their I-20 is up to date and valid. It is the students' responsibility to notify the Admissions Office of any changes that may affect their International student status while in the United States.

## Financial Aid

### Satisfactory Academic Progress Policy for Receipt of Financial Aid

Federal Regulations require students who receive Federal Financial Aid which includes Federal Pell Grant, Federal SEOG, Federal Direct Student and PLUS Loans and Perkins Loans, to make Satisfactory Academic Progress (SAP) towards the student's degree in their declared program.

The standards are cumulative and have two components, Qualitative and Quantitative. Webber uses grades earned and quality points as the measurable standard for academic work.

### Financial Aid Qualitative Standard

Webber International University uses a graduated standard for undergraduate students to remain in academic good standing.

- >=1.59 for students having attempted up to 12 credit hours
- >=1.85 for those students having attempted 13-24 credit hours
- >=1.93 for those students having attempted 25-36 credit hours
- >=1.97 for those students having attempted 37-48 credit hours
- >=2.00 for those students having attempted 49-60 credit hours

In the 60<sup>th</sup> attempted credit hour a student must have a cumulative G.P.A. consistent with the minimum graduation requirement of 2.00 cumulative G.P.A.

### Financial Aid Quantitative Standard

Undergrads may receive aid for a maximum of 150% of the 4 year bachelor degree program requirements or 180 attempted hours. The 4 year degree program is 120 credit hours, which is equivalent to  $120 \times 150\% = 180$  attempted hours. For a full time student it is equivalent to 6 years of enrollment. It is cumulative and includes periods without Title IV aid assistance. The years of enrollment are adjusted proportionately for periods of attendance at less than full time.

For the MBA program, 150% of the degree program is 54 attempted hours for Title IV eligibility to meet the SAP Policy. A full time MBA student who enrolls consistently in 6 hours for each term, the maximum time frame is equal to 27 months or 9 terms. This policy does not override the Academic Progress Standards required by the WIU Graduate Council. WIU monitors progress at the end of each undergraduate semester/term or graduate term. At this point, both the cumulative quantitative and qualitative components of SAP will be evaluated. Students must earn at least 67% of all attempted cumulative credit hours. The qualitative cumulative GPA, as stated above, must also be consistent with the academic standards chart. A student is eligible for subsequent disbursements of Federal Financial Aid in the next semester if the student is in SAP compliance.

Winter Intercessions and Summer Sessions are factored into both the qualitative and quantitative SAP.

### **Repeating Courses**

The original grade and the repeated grade will count towards progress until the student applies for “Forgiveness”. According to the Academic Forgiveness Policy, a student may apply for up to two grade forgiveness’s within the declared degree. Once the student receives grade forgiveness; the original grade will not count towards the GPA or SAP standards. Federal aid allows for one repeat attempt for a previously passed course to be included in enrollment status. A student may repeat a failed course until it is passed for receipt of aid, as long as SAP components are otherwise met.

### **Transfer Students**

No quality points are calculated in transfer hours. The GPA from previous schools is not factored into qualitative progress. The transferred hours however, are used in the quantitative SAP.

### **Incompletes and Withdrawals**

Incompletes and withdrawals are factored into the quantitative progress for SAP.

### **SAP Warning**

Students not making quantitative and/or qualitative progress upon review will be placed on SAP WARNING for ONE semester/term with NO effect on federal financial aid. A WIU SAP Warning letter will be sent to the student’s WIU email account. If the student fails to progress back to good standing after the SAP WARNING term, the student will be placed on PROBATION and is not eligible for Federal Financial Aid. To be reconsidered for aid, see SAP Probation.

### **SAP Probation - the consequence for failure to make SAP**

A student who fails in meeting SAP standards at the end of a term on Warning will be placed on “SAP PROBATION”. The student is at that point in time NO LONGER ELIGIBLE for Federal Financial Aid. The student will be informed by email to his/her official WIU email account. The student has the option to file an appeal, he/she must write a “Request to Appeal” to the Registrar’s Office. Student Appeals must include; why the student failed to make SAP, What has changed that will allow the student to make progress towards SAP at the next evaluation and include any documentation that supports the reason, if applicable.

If the appeal is approved, the Registrar will initiate an Academic Plan and will meet with the student to discuss the plan that has been designed for the student’s specific situation and needs, further development may be warranted. The student will sign the Academic Plan acknowledging his/her commitment.

If an appeal request is denied, the decision will be final; the student enters Financial Aid Probation and is ineligible for Federal Financial Aid.

The student placed on SAP Probation will have ONE semester/term to improve his/her academic performance in order to progress toward SAP standards. The student must follow the “academic plan” designed to ensure that he/she will be able to meet SAP Policy by the specified date indicated in the Academic Plan. The student may receive TITLE IV Financial Aid for this one term while on Financial Aid Probation.

If the student meets the stipulations stated in the designed Academic Plan, the student will be eligible for TITLE IV AID in the subsequent term. The student if necessary will remain on the academic plan until he/she back in good standing as long as the student is making progress as prescribed in the student’s Academic Plan. The student does not need to appeal each term if he/she continues to make progress towards meeting SAP standards.

Students on SAP PROBATION and have met the stipulation in the Academic Plan will be reevaluated at the end of the term. If the student has not made progress in accordance with the Academic Plan upon completion of his/her probation term, the student may lose federal financial aid effective immediately.

A student cannot appeal immediately after a failed probation term, unless documentable unforeseen circumstances such as a death in the immediate family, or a serious family health issue exist. If an appeal is unsuccessful, the student will not be eligible for Federal Financial Aid until the student meets quantitative and qualitative SAP standards.

### **Withdrawal from University**

Official withdrawal from the University for personal reasons is initiated by the student. The student must contact the Registrar's Office or Student Life Office to obtain an official withdrawal form. An interview is conducted and instructions for subsequent steps to leave in good academic standing are given.

### **Withdrawal from University for Students Who Receive Federal Title IV Aid - Official or Unofficial Withdrawal**

Federal funds are awarded to a student under the assumption that the student will attend the institution for the entire period for which the assistance is awarded. When a student ceases academic attendance prior to the end of that period, the student may no longer be eligible for the full amount of Title IV, HEA program funds that the student was scheduled to receive.

Federal regulations require educational institutions to have a written policy for the refund and repayment of federal aid (Pell, SEOG, PERKINS, FEDERAL DIRECT LOANS) received by students who withdraw during a term for which payment has been received. These policies are effective only if the student completely terminates enrollment, or stops attending all classes. Students who receive a zero cumulative GPA at the end of the term will be flagged for a possible R2T4 refund of unearned federal financial aid. The Financial Aid Office Staff will investigate all possible academic resources to determine when the student stopped attending academically related activities. If a last date of attendance can be determined, that date will become the last date of attendance for purposes of calculating a possible R2T4 refund of federal financial aid. If a last date of attendance is not documentable, federal financial rules state 50% may be calculated. This applies only to federal aid and may result in the student owing returned federal aid back to the university.

### **Repayment of Unearned Title IV Student Financial Aid Policy**

The amount of Title IV aid that a student must repay is determined via the Federal Formula for Return of Title IV funds as specified in Section 484B of the Higher Education Act. This law specifies the pro-rated amount and the order of return of the Title IV funds to the programs from which they are awarded. Unearned funds are first returned to the Stafford Loan Program, Perkins Loan, Pell, and SEOG programs. The amount of Title IV aid earned is determined by multiplying the total Title IV aid (other than FWS) for which the student qualified by the percentage of time during the term that the student was enrolled, up to 60% of the enrollment period. If less aid was disbursed than was earned, the student may receive a late disbursement for the difference. If more aid was disbursed than was earned, the amount of Title IV aid that must be returned is determined by subtracting the earned amount from the amount that was disbursed.

The responsibility for returning unearned aid is allocated between the school and the student. The post withdrawal calculation is performed to determine the portion of disbursed aid that could have been used to cover school charges and the portion that could have been disbursed directly to the student once school charges were covered. WIU will distribute unearned aid back to the Title IV programs as specified by law. Funds will be returned within 30 days of the date the institution becomes aware of a student's withdrawal. If the student received Title IV aid in excess of the amount earned, the student may owe a refund to the appropriate agency.

### **WIU Refund Policy**

The size of the faculty and staff and other commitments of the college are based upon the enrollment at the beginning of the term. The fees collected are used to meet these commitments. After appropriate allocations are made to affected programs, a financial obligation from the student to WIU may result, which is payable at the time of the student's withdrawal. Students who withdraw must notify the Dean of Student Life Office or the Registrar's Office. For the Fall and Spring semesters, the refund policy provides for a full refund of tuition, room and board, less a 5% administrative fee when a student officially withdraws from the college within the first calendar week start of classes of school opening as stated in the current school catalog. The following week a withdrawing student shall receive a 75% refund of tuition, fees, room and board. During the third week of school opening a 50% refund will be calculated. The fourth and final week of the refundable period a student will receive a 25% refund of tuition, fees, room and board. Should a student withdraw or be dismissed from the university beyond this four (4) week period, no refunds will be made. Students, who receive Federal Title IV aid, may have to return federal aid per the Federal Formula explained under the Federal Financial Aid Refund Policy.

For the six (6) week summer sessions, a 50% refund will be calculated during the drop/add-fee period. A student will receive a 25% refund thereafter up to the 7<sup>th</sup> day of classes. Refunds shall be made within 30 days of the date that the college determines that the student has withdrawn.

## Registrar

### Request of Transcripts

Student must submit a signed written request for transcripts. There will be no charge for the first request of transcripts; however, subsequent requests will be charged a fee of \$7.00. The student's account must be paid in full before an official transcript will be released. Transcript request forms are available in the Registrar's Office or on-line at [www.webber.edu](http://www.webber.edu), on the Registrar's page.

### Student's Right to Privacy

#### **The Family Educational Rights and Privacy Act (FERPA)** (20 U.S.C. § 1232g; 34 CFR

Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education. Webber International University must have written permission from the eligible student in order to release any information from the student's education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions (34 CFR § 99.31):

- School officials with legitimate educational interest;
- Other schools to which a student is transferring;
- Specified officials for audit or evaluation purposes;
- Appropriate parties in connection with financial aid to a student;
- Organizations conducting certain studies for or on behalf of the school;
- Accrediting organizations;
- To comply with a judicial order or lawfully issued subpoena;
- Appropriate officials in cases of health and safety emergencies;
- State and local authorities within a juvenile justice system pursuant to specific State law

Webber may disclose, without consent, "directory" information. The Student handbook annually notifies current students of their FERPA rights.

### **Directory Information:**

**Releasable items** that are not generally considered sensitive or confidential that may be disclosed to appropriate outside organizations may include:

- Student Name, Address, E-mail Address, Phone Number
- Height, Weight, Date and Place of Birth (**used with caution**)
- Major and Minor field of study, Class level, Dates of attendance, Enrollment Status
- Names of Previous Institutions attended, Honors/Awards received, Degree earned and date earned
- Participation in officially recognized Activities and Sports, Photos of Athletic Team Members
- Photographic, Video or Electronic Images of students taken and maintained by the institution

A student may request in writing that Directory Information not be released by contacting the Registrar or the Dean of Student Life. Contact [registrar@Webber.edu](mailto:registrar@Webber.edu) for information or questions. A paper copy of the FERPA policy is available on request.

### Transient Student

A WIU student who desires to take selected courses at another college or university, as a transient student, must have prior approval. The student must contact the Director of Academic Planning for a transient student form and approval. The student must also obtain the Registrar's approval. There is no guarantee that credit earned at another institution will apply toward graduation at Webber unless you have prior approval. A grade of at least a A-C must be earned to be considered for transfer credit. Thirty of the last thirty-three credit hours toward a student's degree program must be earned at WIU.

### Withdrawal from a Course

A student may withdraw from a course with a grade of "W" during the withdrawal period (see university catalog for dates). A \$10.00 fee will be charged. Ceasing attendance of a class does not mean you are withdrawn. You must consult the Director of Academic Planning to officially withdraw from a course and take the completed Drop/Add form to the Registrar's office. A withdrawal from a course after the drop/add period does not affect the tuition the student is charged. Tuition remains the same as before the withdrawal. If a student subsequently adds another course which puts the student into overload status (17 + hours) the student is responsible for all overload fees.

### **Student On-Line Access**

WIU students may view their course schedules, unofficial transcripts, student accounts and financial aid via the *MyWIU* student portal. Students set up their on line access using their student ID number and birthdate. Once established, a student can change their password. Any requests for resets must be made to [support@webber.edu](mailto:support@webber.edu) using their email or in person with student ID in the Computer Resources Office.

### **Disclosure of Information from the Official Education Record**

All data about an individual student not listed as directory information are considered restricted and may only be released according to the following conditions.

### **Request for a Change of Record**

A student has the right to request an amendment of his/her education record that the student believes is inaccurate or misleading. Students may ask the University to amend a record that they believe is inaccurate or misleading. They should write the University official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the University decides not to amend the record as requested by the student, the University will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing. Students have the right to file a complaint with the U.S. Department of Education concerning alleged failures by the University to comply with the requirements of FERPA.

## Residential Life

### Housing

The University provides on-campus housing in Camilla Hall, Grace Hall, Dorm A, Dorm B and Miranda Hall for approximately 419 students. The Dean of Student Life supervises the Residence Halls. Resident Assistants live in the Residence Halls and are available to aid students and to oversee hall activities. Rules and policies governing residence halls are published in the Student Handbook and the University Housing Agreement.

Students are assigned rooms and roommates. Housing changes can be made only with Dean of Student Life. Changes which alter the cost of housing must be absorbed by the student. All freshmen must live in the residence hall during their first and second semesters at Webber unless they live with parent, legal guardian or spouse. If a freshman student is 20 years old before the start of the entering semester, he/she may live off-campus. If a freshman student turns 20 during the college year (two full academic semesters), this **does NOT** excuse them from the requirement of living in the residence hall during his/her first and second semesters. The fees for housing do not include periods when the University is in recess (between semesters, Thanksgiving and Spring Break). Residence Halls are closed during these periods; however, arrangements may be made with the Dean of Student Life for staying in the Residence Hall during breaks. There is a nominal fee for this privilege and special Residence Hall policies are enforced.

The University provides security personnel during evening hours. However, Webber International University cannot assume responsibility for students' personal property. Any student housing facility that is owned or controlled by the institution, or is located on property that is owned or controlled by the institution, and is within reasonably contiguous geographic area that makes up the campus is considered an on-campus student housing facility.

### Minors in Dorms

Minors (anyone under the age of 18) may reside in the dormitories but must live in designated minor housing in Building B for an entire academic year.

### Room Assignment Policy

Webber International University admits students of any race, color, sex, age, nationality, handicap, and sexual orientation. Residence hall assignments are made on the basis of first come, first served and class standing as space allows.

### Food Service

The University provides several food service options for students. There are two meal plans available to students living on campus. **Meal plan A** provides 19 meals per week for the 15-week term at a substantial savings. All Freshmen living in the dormitories must be on plan A. **Meal plan B** entitles the student to 200 meals of his/her choosing during the semester. Meal Plans may not be shared.

Students may also purchase meal tickets in the Business Office at a reduced rate. Student representatives routinely survey the student body for input in planning menus, special dinners, outdoor barbecues, and dining room activities. A Café' is located in the Student Union and serves sandwiches, sodas, and snacks at reasonable prices.

### Airport Transportation

Students flying to Florida are asked to arrive at the Orlando International Airport. Webber provides airport pickup on a limited basis. Students will meet at a designated airport pickup location for transport to the campus. For specific information, contact the Student Life Office.

### Soliciting

Door to door solicitation of products or services in campus housing is not permitted. This policy applies to individuals and off-campus groups. If a student is contacted by door-to-door solicitors, he/she should notify the Dean of Student Life. Solicitation in common areas of the residence halls must receive prior approval from the Dean of Student Life.

## DOCUMENTATION STANDARDS FOR FRESHMEN LIVING OFF CAMPUS

- Exemption (3): Student is married  
Documentation required:

- Note: Students may become ineligible for scholarships by electing to move off-campus. It is the student's responsibility to check on the status of scholarships.

### **University Liability**

The University does not assume obligation or liability for loss or damage to personal property. Students should take precautions to protect personal belongings from theft, fire, water damage, or other loss. Students are urged to purchase renter's insurance and car insurance for protection against loss or property damage.

### **Check-In/Check-Out Procedures**

**Check-In** - Students must be up-to-date with housing payments or have been granted a financial aid deferral before they check-in. During the check-in process, each student must sign and return the Housing Room Condition form provided by WIU within 24 hours of occupancy. This form is the basis for determining whether a student will be responsible for damages, losses, or both, in the assigned living space.

**Check-Out** - Residents are eligible to remain in the residence halls until twenty-four hours after the last final exam of the semester. Residents participating in the Graduation ceremony must vacate the room by 10:00 A.M. the next morning following graduation. Failure to move out within the prescribed period may result in a \$50 per day charge, eviction and disciplinary action. In cases of eviction, WIU will not be held responsible for student belongings and reserves the right to take possession of and dispose of such belongings.

A resident is not considered checked out of the residence hall until all keys are returned and a completed Housing Room Condition form is signed by a WIU Resident Assistant. Residents are expected to remove all refuse and discarded materials and leave the room as clean as it was at the time of check-in.

When one occupant in a room moves out while others remain, each is equally responsible for cleaning the room. If the room is in unacceptable condition after inspection, cleaning services will be provided and the resident(s) will be held liable for cleaning charges. Failure to follow proper check out procedures as outlined in the Housing Agreement or in distributed instructions will result in an additional charge. Failure to return all keys will result in a \$75 charge per key for Grace, Camilla, Dorms A&B, and Miranda.

On campus residents not returning to WIU must complete and submit the Housing Exit Form within 7 calendar days after the completion of the Fall semester and within 14 calendar days after the completion of the Spring semester. If the student neglects to do so, the student will forfeit the damage deposit of \$220.00.

### **Appliances**

As several rooms are wired into the same electrical circuit, caution must be taken not to overload electrical outlets. All appliances must be plugged directly into a wall outlet or into an approved power strip.

Acceptable appliances include: PC's, TV's, typewriters, radios, stereos, percolators, popcorn poppers, fans, blenders, clocks, steam irons, drip coffee/tea maker, crock pots and blow dryers. ### **Vandalism**

Intentional and malicious damage to the residence hall facilities is considered vandalism. When vandalism occurs, everyone pays. When the person or persons responsible cannot be identified, repair costs are passed on to all residents in the area through group assessment and/or to all residents through higher rates. So, remember, take care of the residence hall as if it was your home.

### **Air Conditioners**

Removing covers or filters or tampering with the air conditioning units makes repair difficult if not impossible. Report units which do not work properly to the Switchboard by completing a work order. A fine of \$100.00 will be levied for removing air conditioner covers or filters.

### **Maintenance**

Work orders for repairs are submitted to Campus Services by *iWorQ*. Work is prioritized by greatest need, however, if follow up is necessary contact the R.A. on the floor.

### **Changing Rooms in Residence Hall**

Residence hall assignments are made in an effort to match student's wishes, life styles, and interests to the best knowledge of the residence hall staff. However, it is inevitable, as human beings live together, that changes will be desired occasionally.

Because of the complexity of administrating room changes, provisions for room changes are as follows:

1. Room change requests are submitted in writing to the Student Life Office after the first two weeks of the semester.
2. Any student changing rooms or moving without the written approval of the Housing Office will be subject to a \$100.00 fine.
3. Room changes are made as rooms are available. Many times room changes must be coordinated through several sets of students.

### **Roommate Contract**

If needed each resident must complete a Roommate Contract which will be used to settle all disputes between roommates. Conflicts which arise in violation of the signed Roommate Contract will be referred for mediation. Conflicts which arise in the absence of a signed Roommate Contract will be referred for immediate disciplinary action.

### **Room Checks**

The Dean of Student Life will conduct visual inspections of residence hall rooms when necessary. The dates will not be posted. The Dean of Student Life will determine that furnishings are present and being used properly, that the residence hall is in reasonably clean condition, that needed repairs are reported, and that residence hall/school policies are being followed.

**WIU RESERVES THE RIGHT TO CONDUCT UNANNOUNCED ROOM CHECKS FOR VIOLATION OF RESIDENT HALL REGULATIONS.**

### **Resident Assistant (R.A.)**

An R.A. is a full - time regular resident student who has applied and been selected to assist students and WIU personnel in the residence hall. The R.A. will conduct hall meetings, request maintenance and repairs as needed, and work with security and housekeeping to establish a safe and reasonably clean environment for students to live. An R.A. will assist students in the residence hall within the guidelines of University policy and regulations. He/she will advise students and attempt to find help for the student if problems are beyond his/her experience and training.

### **Self-Regulated Visitation**

All guests must register at the Babson Center. During the daytime and regular Office hours, guests register with the Receptionist. After 5:00 p.m. weekdays on weekends, guests must register with security. Residence halls are locked from 12:00 a.m. until 7:00 a.m. every day. Resident students who wish to have a guest during this time may register the guest with Security. The resident student is mutually responsible for the guest, and must be with their guest at all times.

Off campus students are considered guests in the residence hall between 12:00 a.m. and 7:00 a.m. and must be a registered guest of a resident student. Resident students who wish to host a guest after hours must document the arrangement with roommates through the Roommate Contract. Conflict in the absence of this agreement may result in disciplinary action. Only those students assigned to a room may reside in that room. Abuse of the visitation policy is cause for disciplinary action.

A, B and Miranda dorms are limited to 11 people at any given time. Residents may have an overnight guest in the Miranda, A, B, Camilla, and Grace residence halls for three nights at no charge. All overnight guests must register with Security. There is a 3 day limit on consecutive days on a guest's visit in the residence hall. A student is allowed to have a guest(s) stay for a total of 7 day per semester. Residents must register their guest with security 48 hours prior to the guests' arrival. Students who will be hosting a guest must obtain a written statement from all roommates of approval for a guest. Guests must obtain a temporary parking permits, failure to make parking arrangements may result in towing of vehicle. An abuse of the spirit of this policy may be considered cohabitation, which will result in fines and or disciplinary sanctions. Due to the nature of our housing tenants, parents, grandparents, aunts and uncles, or guardians, will not be permitted to stay overnight in the dorm room with the student.

A Student may not enter another student's room without permission. Failure to obtain permission will be considered unwelcomed and unlawful entry and will result in disciplinary sanctions.

### **Towing**

Any vehicle which enters Webber property must enter display a valid current WIU sticker, a visitor's pass, or a faculty/staff sticker. Any vehicle found to be in violation of the above or found to be parked in an unauthorized area between 11:00 pm and 5:00 am is subject to towing at the owner's expense by the Director of Security.

Driveway closures 11:00 pm-5:00 am

1. Road leading to north end of campus
2. Road behind Student Union
3. Babson Center driveway next to flag pole

### **Quiet Hours**

Quiet Hours 10:00 p.m. - 8:00 a.m. in all WIU-owned housing, certain hours of the day have been designated as "quiet" or "study hours". During these hours, noise must be kept at a minimum to allow students to study or sleep. Students are encouraged to keep their room doors closed during quiet hours. TV's, stereos and radios should be played at a low volume that cannot be heard outside the room. Designated hours will be posted throughout each building.

During final exams week continuous quiet hours are in effect. Remember that consideration and mutual respect are always in effect. If a neighbor is trying to sleep, study, or is disturbed by your noise, he/she has the right to ask you to keep the noise level down and you have the obligation to accommodate him/her. If a compromise cannot be reached, an R.A. should be contacted to assist in mediation. Referral for disciplinary action will be made if mediation is ineffectual.

### **Laundry Facilities**

Laundry facilities are available in the Grace and Camilla Residence Halls. Students living on campus may use the laundry facilities by using a debit or credit card. Any problems with the machines should be filed at macgrey.com. Linen service is not provided by WIU so students must furnish their own linens. Students should bring their own irons, ironing boards, and cleaning supplies. **Off-campus students may not use laundry facilities.**

### **Restroom Facilities**

Students that live in Camilla, Buildings A&B, and Miranda are required to maintain and clean the restrooms that are located in their dorm/quad. Failure to keep the restrooms in a sanitary and livable condition will result in disciplinary action and/or fines.

**Female students are not permitted to use the restroom facilities in the Grace dorms.**

### **Emergency Response and Evacuation Procedures**

Upon the confirmation of a significant emergency or dangerous situation on campus, the University has developed the following procedures to facilitate notification and evacuation:

Webber International University has installed a state-of-the art campus alert system featuring Federal Signal's Eclipse 8 siren (mounted on the tall pole behind the classroom building). The siren warning is supplemented with Nixle's mass SMS and email notification system to deliver emergency messages to subscribed devices. While no warning system can replace common sense and situational awareness, and while no system is foolproof, in the event of very serious emergency, we will activate our campus warning system. Except for our weekly test which occurs at 2:00 each Wednesday afternoon, should you hear the siren or get a text message, you should take immediate action.

### **Siren Alert Types**

There are three distinct warnings the siren will generate:

**Fast wail for 1 minute:** This indicates a serious emergency such as an armed intruder or tornado sighting. In this instance, it is recommended that you get inside, lock doors, stay away from doors and windows, stay low, and await further instructions. The siren will be followed by a Nixle generated emergency text message sent to subscribed devices.

**Steady tone for 15 seconds:** This is the all clear signal. It indicates that the emergency has passed and that it is safe to resume normal activities. This should be followed by a Nixle generated all clear text message sent to subscribed devices.

**Slow wail for 15 seconds:** System test scheduled for Wednesday afternoons at 2:00. No action is required.

**Nixle** - This service is free to join (providing one has free SMS messages) and allows one to receive alerts and important information through e-mail and text messages from WIU (once you have joined and selected WIU as an agency from which you would like to receive communication). In the event of the activation of the Federal Signal Eclipse 8 Campus Alert System, we will also send a message explaining the emergency. In order to join Nixle, register at [www.nixle.com](http://www.nixle.com). Webber's zip code is 33827.

The Emergency Team is comprised of the following positions: President of WIU, Dean of Student Life, Vice President of Institutional Advancement, Vice President of Finance, Athletic Director, Assistant Athletic Director, Director of Campus Services, Director of Security, Director of Information Technology and the Football Coach will meet to make this determination. Depending on the outcome of the meeting the following procedure will be put into motion:

In obvious emergency situations, the President will put the following into motion:

The emergency notification process involves the receipt of information, which then sets into motion the following action:

- a. Determination if the entire campus community, will receive the emergency alert Notification System-decision made by Emergency Team or President
- b. Compilation of the content of the emergency alert message decision made by the Emergency Team or President
- c. Activation of the Webber International University Emergency Alert Notification System-decision made by Emergency Team or President

Webber International University will, without delay, and taking account the safety of the community determine the content of the notification and initiate the notification system, unless the notification will, in the professional judgment of responsible authorities, compromise efforts to assist victims or to contain, respond to, or otherwise mitigate emergency.

The Director of the Information Technology Department or designee is responsible for activation of the Emergency System as directed by the President and/or Emergency Team.

The University will disseminate the emergency information using its Emergency Alert Notification System (text messages, emails, indoor phone announcements, and web page alert messages).

Webber International University Emergency Federal Signal Alert System equipment is tested every (Wednesday at 2:00pm) to ensure it is working properly. At least once per semester the university will conduct a full activation of the Emergency Federal Signal Alert System, as well as the Emergency Alert Notification system which will be advertised to the Webber International University community beforehand.

The University will test the evacuation procedures (used for fires or other serious emergencies) once per Calendar year. Before, the emergency response and evacuation procedures are tested; the University community will receive adequate notification, as well as details regarding the evacuation procedure from each different location.

### **Evacuation Procedure –Fire and General Evacuation**

If a fire or a situation that requires evacuation is discovered in a building you should take the following action:

1. Immediately evacuate the building. As you leave, notify other occupants. Activate a fire alarm pull system.
2. Close room and/or hallway and stairwell doors as you evaluate.

3. Once you leave the building, do not re-enter **for any reason**. The purpose of any evacuation is to empty a building or area of all occupants as quickly and safely as possible.
1. In most cases that require evacuation of a building (fire, explosion, bomb threat), occupants should proceed to a clear or safe location away from the building, but where they can be accounted for. WIU Personnel or Emergency Personnel may direct you to other locations. Please comply with their requests in order to effect a safe evacuation.
2. Evacuation of persons with disabilities will be given the highest priority. They will be evacuated by the most expeditious and safe means available. If you are aware of person(s) with disabilities in your building who require assistance, please notify the Dean of Student Life, Director of Campus Services, Security, and Fire/Emergency Rescue Team
3. When evacuating the building, do not run. Walk and remain quiet. Be observant to your surroundings and know a second means of escape from your building in the event that your primary route is obstructed.
4. Occupants, once outside the building, should congregate with fellow students to make sure that everyone has evacuated safely. If you discover that someone is unaccounted for, notify a Security or the Fire rescue team. Intentional evading or refusal to evacuate will result in notice of violation.

### **Fire & Safety Standard**

A fire is any instance of open flame or burning in a place not intended to contain the burning or in an uncontrolled manner.

### **Fire Safety in Residence Halls**

Fire Evacuation drills will be conducted once per semester to remind students of fast, safe, and orderly means of exit in case of emergency. Everyone is required to leave the building each time the alarm sounds. Failure to leave the building when the alarm is sounded will result in judicial action against a student. If a fire occurs: Pull fire alarm, Dial 911 and exit the building through fire exits.

Fire alarms, smoke detectors, fire extinguishers, and exit signs are important protection equipment for all residents. Tampering, vandalizing and other damage of this equipment is prohibited by law and a student will be subject to judicial action.

Tampering with or disconnecting smoke detectors is a felony. A mandatory \$500.00 fine will be assessed by the fire marshal for each occurrence and students will be prosecuted and disciplinary action by the university will be taken.

All Student Housing buildings (Grace Hall, Camilla Hall, Dorms A & B, and Miranda) are equipped with an alarm system consisting of audible and visible alarms activated by manual pull stations or smoke detectors. In Grace & Camilla Hall smoke doors were installed in the Summer of 2010. In Dorms A, B, and Miranda Hall each individual room and common spaces (living room) are equipped with sprinklers. Fire alarms, smoke detectors, fire extinguishers, and exit signs are important protection equipment for all residents. Tampering, vandalizing and other damage of this equipment is prohibited by law.

**TAMPERING WITH OR DISCONNECTING SMOKE DETECTORS IS A FELONY. A MANDATORY \$500.00 FINE WILL BE ASSESSED BY THE FIRE MARSHAL FOR EACH OCCURRENCE AND STUDENTS WILL BE PROSECUTED AND DISCIPLINARY ACTION BY THE UNIVERSITY WILL BE TAKEN.**

### **Procedure for Student Housing Evacuation**

Fire or other potential emergencies the dormitories may require the occupants, including students, staff, visitors or staff from other University departments, to evacuate any or all of the college buildings. The following information and procedures have been designed to help ensure your personal safety, should an evacuation become necessary.

Unauthorized re-entry into a building during a fire emergency is not permitted. Violators of this policy are subject to University and state fire code sanctions. During a fire emergency, only designated individuals may remain in the building to fulfill their responsibilities. All other occupants must immediately evacuate the building in accordance with the departmental emergency action plan.

Building occupants are not required to fight fires. Individuals who have been trained in the proper use of a fire extinguisher and are confident in their ability to cope with the hazards of a fire may use a portable fire extinguisher to fight small, incipient stage fires (no larger than a waste paper basket). Firefighting efforts must be terminated when it becomes obvious that there is risk of harm from smoke, heat or flames.

**If you discover a fire: Alert people in the immediate area of the need to evacuate. Activate the nearest fire alarm; call Public Safety at 911 Call Security 863-605-2499**

**If a building fire alarm is sounding or you receive notification of a fire emergency:** Feel the door or doorknob to the hallway with the back of your hand. If it feels hot, do not open it - the fire may be on the other side of the door. If you are trapped, put a cloth or towel under the door to help prevent the entry of smoke. Dial 911 and tell the Public Safety dispatcher your location and telephone extension and that you are trapped in the room and need rescue. Stay on the phone until instructed otherwise.

If the door is not hot, open it slowly. If the hallway is clear of smoke, walk to the nearest fire exit and evacuate via the nearest stairwell to the street/grade level exit. Close doors behind you. Assemble at the area designated for your department and remain there until instructed by Public Safety or the fire department that it is safe to re-enter the building.

**Designated Assembly Locations:**

Old Main Assembly Point –	Babson Park, Post Office Parking Area
Athletic Building –	Football Field
Football Building –	Football Field
Yentes Conference Center Assembly Point –	Open Area behind Yentes Center (facing road)
Mc Connell Building Assembly Point –	Open Beach Area (Lake Front)

Any missing personnel should be reported to the R.A's, Director of Security, or Dean of Student Life or Public Safety at the assembly point. Occupants will be advised whether or not they will be allowed to return to the building. If re-occupancy is not imminent, occupants will be directed to proceed to the Sabbath Gym.

During an emergency, students and visitors who may not be familiar with this plan must be informed of the requirement to evacuate. Special attention should also be given to any persons with disabilities, especially those who are visitors or unfamiliar with the building.

If a fire condition is discovered in a building you should take the following action:

1. Immediately evacuate the building. As you leave, notify other occupants. Activate a fire alarm pull station.
2. Close room and/or hallway and stairwell doors as you evacuate.
3. Once you leave the building, do not re-enter for any reason.

The purpose of any evacuation is to empty a building or area of all occupants as quickly and safely as possible.

1. In most cases that require evacuation of a building (fire, explosion, bomb threat), occupants should proceed to a clear or safe location away from the building, but where they can be accounted for. Officials may direct you to other locations. Please comply with their requests in order to effect a safe evacuation.
2. Evacuation of persons with disabilities will be given the highest priority. They will be evacuated by the most expeditious and safe means available. If you are aware of person(s) with disabilities in your building who require assistance, please notify an Official.

### **Judicial Policies**

To protect the rights, safety, and well-being of the students, Webber International University has the responsibility to establish and to administer standards of conduct. Having accepted the privilege of admission to Webber, each student accepts the responsibility of utilizing the resources of the University for the resources' intended purposes. Each University student must accept the responsibility for always behaving on campus or off campus, in such a way to reflect credibility upon Webber. No student possesses the right to be the source of unfavorable or unflattering publicity which brings discredit upon the University community.

The University Administration will institute disciplinary action necessary in these circumstances. Whenever it is determined by the University that it does not have the personnel or the facilities to care for or deal with the needs of a student, the student may be required to withdraw; or he may be denied readmission for the ensuing term. Complaints for alleged violations may be filed by any member of the college community.

**THE UNIVERSITY RESERVES THE RIGHT TO TAKE IMMEDIATE DISCIPLINARY ACTION IN SEVERE CASES, WHICH MAY RESULT IN REMOVAL FROM THE RESIDENCE HALLS OR DISMISSAL FROM THE COLLEGE.**

## Disciplinary Sanctions

The following sanctions may be altered as determined by the President of the University or the Dean of Student Life. Furthermore, they are listed in the order of severity, generally, but are not necessarily administered in this order. A sanction must be completed during the semester it is imposed unless it is extended by the Dean of Student Life.

- A. Restitution** - Reimbursement for damages to or misappropriation of property. Clean up costs and labor costs will be included in restitution. Additional fines and/or sanctions may be imposed.
- B. Admonition** - A verbal or written warning to a student by an authorized Webber official for violation of University regulation. While a warning does not become a part of the student's permanent academic record, the admonition is part of the University record for a period of time.
- C. Community Service** - In response to a violation of a University rule or regulation, a student may be assigned community service hours to perform tasks on the campus or in the community. This sanction will always be imposed when the student's actions cause inconvenience or the loss of use of a facility or service to the Webber community. Additional sanctions may be imposed. For a list of Community service sanctions, see Dean of Student Life. Community service hours may be Bought out at the rate of \$20.00 per hour in the event of a justifiable conflict or if the student fails to complete the hours prior to the end of the semester. Approval by the Dean of Student Life required.
- D. Fines** - In some instances a fine may be deemed to be an appropriate sanction. Fines may be imposed in addition to other sanctions. If a fine is imposed, it must be paid in full within the time period designated in the action, or additional sanctions will be necessary. An automatic fine of \$50.00 is imposed for failure to complete a sanction by the deadline, in addition to any other penalty prescribed.
- E. Written Reprimand** - A written explanation of the violation and the possible consequence. Repeating the behavior after a written reprimand will result in very strong disciplinary action. Written reprimands are a part of a student's permanent record maintained in the Registrar's office and may be released with transcripts.
- F. Social Probation** - An official statement issued to cover a specified violation or violations of Webber regulations. Social probation may consist of one or several of the following sanctions. The student and his parents will be notified in writing of the probation and the duration of the probation. Further violation could result in suspensions or dismissal.
  - 1. While on social probation, a student may not attend or participate in any Webber functions, including sports events on or off the campus or any functions given by a recognized Webber organization.
  - 2. A student may not run for, receive, or retain an elected or appointed Campus office.
  - 3. A student may not be rushed by, pledged or initiated into a fraternal, service, social or honorary organization (student who is pledging must withdraw his pledge).
  - 4. A student may lose University- based financial aid.
  - 5. A student may not represent the University in any capacity.
  - 6. If living in the residence hall, a student may have to vacate the residence hall by 5:00 p.m. the day the sanctions are imposed, and may not continue on the meal plan.
  - 7. The student may not use any University facilities including the pool, waterfront, student union, weight room, tennis courts and campus services. S/he may not visit the residence halls or campus.
  - 8. If living in the residence hall, the student may have visitation hours and visitors restricted.
  - 9. The student may have any or all of the sanctions specified in items 1-5 above.

Social probation becomes a part of the Student's personal record, and may be imposed for varying periods of time (generally 1 calendar year). Because further violations may result in suspension or expulsion, the parents or guardians are notified in writing.

- 1. Suspension** - An official statement to the student that he/she is no longer enrolled in the University and is not allowed to participate in any phase of the University's life. While under suspension, a student may not visit the campus without prior approval of the Dean of Student Life. Persons excluded from the University campus that subsequently enter or remain on it are subject to arrest and prosecution. Suspension will be imposed for any specified period of time and becomes a part of the student's permanent record. A student who is suspended may apply for readmission at the end of the suspension period. Readmission is not automatically granted. The parents or guardians of a student are notified of a suspension. A student who is suspended is required to leave the campus by 5:00 p.m. on the day the sanction is issued. The Dean of Student Life may require earlier leave from campus when it is deemed in the best interest of the University or the student.
- 2. Dismissal** - Mandatory withdrawal. Written reprimand in permanent file.

- 3. Social Dismissal** - Termination of student status with no opportunity to apply for readmission. The parents or guardians of dependent students are notified of a dismissal. Upon dismissal a student may not visit the campus without the prior approval of the Dean of Student Life. Persons excluded from the University campus who subsequently enter or remain on it are subject to arrest and prosecution. A student who is dismissed is required to leave the campus by 5:00 p.m. on the day the sanction is issued. The Dean of Student Life may require earlier leave from campus when it is deemed in the best interest of the University or the student.
- 4. Violation of Probationary Status** - A student who is alleged to have violated the Code of Conduct while being subject to disciplinary or final disciplinary probation may be charged with the separate offense of violating disciplinary probation.
- 5. Mediation** - The University believes a strong system of mediation of disputes will encourage reporting and resolution of complaints. Mediation is appropriate when all parties involved (accuser/s and accused) voluntarily agree to engage in the mediation process. Mediation will involve resolution of the incident, including sanctioning when needed. If mediation fails, the case will be forwarded for a formal hearing.
- 6. Incident Reports** - Incident Reports are used by Resident Assistants and Security Staff to document, in writing, irregular events which occur on campus. Usually, the Dean of Student Life will decide if a report merits referral to the Judicial Board, the Executive Committee, or the Residence Life Staff. Incident reports can also be used to report facts about theft, unusual events, accident or illnesses.

### Victims' Rights

Victims of sexual misconduct have the following rights during disciplinary procedures involving an accused student or employee:

### Academic Integrity/Policies and Procedures

#### Student Classification

Students are classified by level on the basis of semester hours earned toward graduation: Freshman: 0- 24; Sophomore: 25 - 56; Junior: 57 - 85 Senior: 86 and above.

#### Academic Progress/Good Standing

Students must pass 24 credit hours in two semesters to meet the requirements for full-time student classification. Students in good standing are those whose cumulative grade point average is at the required level for the student's class standing.

#### Academic Warning

Students whose semester grade point average falls below 2.00 receive an academic warning. Student grade sheet and transcripts reflect the warning status.

#### Academic Probation

The student will be placed on automatic academic probation at the end of any term when the student's cumulative grade point average (on all hours attempted at Webber International University) falls below the following minimum standards: 1.59 for those students having attempted up to 12 credit hours. 1.85 for those students having attempted 13-24 credit hours. 1.93 for those students having attempted 25-36 credit hours. 1.97 for those students having attempted 37-48 credit hours. 2.00 for those students having attempted 49-60 credit hours. Student grade sheets and transcripts state a student is on probation and a letter from the Chief Academic Officer is sent to the student detailing academic restrictions. A student on Academic Probation may be awarded financial aid an additional semester if he/she has over a 2.00 GPA for 12 credit hours during the ensuing semester progressing toward a 2.00 cumulative GPA.

### Academic Dismissal

Students on probation who fail to meet the probation requirements will be academically dismissed by the Academic Standing Committee for unsatisfactory progress toward the attainment of their degree.

Any student earning less than a 1.00 GPA, based on hours attempted in any semester, (and any student failing to meet Fresh Start contract provisions) is subject to academic dismissal.

### Academic Dismissal Appeal

Any student wishing to appeal an academic dismissal decision may submit a letter to the Vice President of Academic Affairs within 30 days of notification of dismissal. The letter should contain any rationale for the appeal.

### Attendance

Although university professors are not required to take attendance, students are expected to attend punctually all classes and should be absent only for unavoidable reasons. It is the student's responsibility to inform his instructor of an unavoidable absence. Excused absence is defined as an absence due to:

- A. Illness treated by a physician or the University nurse.
- B. Participation in authorized University activities and with the permission of the instructor. The Chief Academic Officer may drop a student from either a course or the University for excessive absences. Students having a prolonged period of absence due to illness must obtain permission from the Chief Academic Officer to return for the remainder of the current semester.
- C. Serious, unavoidable personal emergency.

### Academic Dishonesty

Academic dishonesty includes but is not limited to the following:

- A. **Cheating** - on an examination or in the classroom; Webber International University defines cheating as follows: (1) unauthorized giving or receiving of aid by any means during a test or examination; (2) having another person take an exam in his place, or taking an exam in another person's place; (3) stealing or using, unless authorized, any test, paper, or answer key.
- B. **Plagiarism** - or taking and passing off as one's own ideas, writings or work of another, without citing the sources; The Winston Dictionary defines plagiarism as "the act of stealing and using as one's own, the ideas, or the expression of the ideas, of another". Plagiarism includes the paraphrasing of another person's work or idea. Students must state the source of information, if not their own, by the use of footnotes or by citation in the body of the text. Plagiarism also includes electronic information of all types. Penalties for Plagiarism will be applied if students failed to meet the standards of copyright compliance. Students must adhere strictly to all laws and guidelines pertaining to copyrights. No videos or films may be shown outside the classroom without the appropriate copyright permission.
- C. **Stealing examinations or course materials;**
- D. **Falsifying Records;**
- E. **Violation of computer policies;**
- F. **Copyright Compliance** - students must adhere strictly to all laws and guidelines pertaining to copyright; no videos or films authorized for being used in a specific class may be shown outside the classroom without the appropriate copyright permission.
- G. **Fabrication** - Fabrication is the falsification or invention of any information or citation in an academic exercise.
- H. **Assisting anyone to do any of the above;**

**Punishment for committing academic dishonesty:** For an undergraduate student: Upon the **first offense**, the student will receive a numerical value of zero (0) on the assignment or a reduction of one letter grade in the course, whichever is the most severe punishment. The **second offense** whether in the same course or another course will result in a penalty up to an "F" for the course. A **third offense** will result in expulsion from the university. For a graduate student: Please refer to MBA Handbook for details. Upon the **first offense**, the student will receive a grade of zero (0) in the course. A **second offense** will result in expulsion from the university.

### Procedure for Reporting Cheating or Plagiarism Incident

When a professor feels a cheating or plagiarism incident has occurred, the professor will present the information, documentation and any supporting evidence to the Chief Academic Officer. The Chief Academic Officer will review the information and conduct a joint session with the student(s) and the professor. The purpose of the session is to insure the student's complete understanding of the University's definition of cheating or plagiarism. Formal notification of cheating or plagiarism is delivered to the student in writing and placed in the University record. Parents may be notified.

### **Facilitating Academic Dishonesty**

Facilitating academic dishonesty is helping or attempting to help another commit an act of academic dishonesty. For a student currently enrolled in the course, the procedures and penalties described above apply. When a professor or another student feels that a student who is not currently enrolled in a course is facilitation academic dishonesty, he or she may present the information to a department chair or the Chief Academic Officer. Supporting evidence will be reviewed to determine the level of involvement in facilitation academic dishonest.

### **Academic Review/Grade Challenge**

A student may request a review of a final grade within thirty (30) days of assignment of grade. Such a request must be submitted in writing to the Chief Academic Officer and shall state the reason(s) for believing the grade to be unjust.

If the Chief Academic Officer determines that the student has reasonable grounds for requesting a review, he will appoint a committee of faculty members to conduct a review. The Chief Academic Officer will notify the student, in writing, of the final decision. An Academic Review Committee has the sole responsibility to determine the justness of the disputed grade. It may not properly make any recommendation beyond that point.

The student who requests an academic review of a final grade bears the burden of proof in establishing that the grade was undeserved. Failing to prove by preponderance of the evidence, the grade must stand as assigned by the faculty member. The presumption is always that the faculty member assigned the grade for good cause and without bias.

### **Procedure for Appeals**

A student who is not satisfied with a decision made by a University official often has an avenue of appeal.

A student who wishes to appeal a decision of a University official may do so in writing, within seven days after the decision has been reached. A student not availing him or herself to this policy within this timeframe will forfeit any right to appeal that he or she may have had.

While there is no particular format which a student must follow, the student should completely and concisely spell out his or her case, including such documentation as is necessary. Specifically, the student should make clear the circumstances surrounding the issue and why he or she believes the decision reached was contrary to University policy, unjust, or should otherwise be reconsidered. The student should include contact information in case further information is necessary or questions arise. Because the presumption is that the decision was reached for appropriate reasons, the burden of proof lies with the student filing an appeal.

The University official (designated student grievance officer) receiving the student's appeal will render a written decision within seven days.

While a student may always avail him or herself to the University's open door policy, doing so will not substitute for filing a written appeal and will not preserve his or her rights of appeal under this policy.

### **To Whom Decisions May Be Appealed**

Any decision involving the academic areas of the University may be appealed to the following designated student grievance officers: Dr. Charles Shieh, Chief Academic Officer (first level of appeal). The Office of the Chief Academic Officer is located in the McConnell Building; the President (second level of appeal)

Any decision involving the student life areas of the University may be appealed to the following designated student grievance officers: Jay Culver, Dean of Student Life (first level of appeal); The Student Life Office is located in the McConnell Building; the President (second level of appeal)

Any decision involving athletics may be appealed to the following designated student grievance officers: Darren Ritchey, Athletic Director (first level of appeal) The Athletic Director office is located in Fitness Center; the President (second level of appeal)

The following decisions are final and may not be appealed: the decisions of the President of the University, academic standing decisions of the Graduate Council, the decisions of the Academic Standing Committee, the decisions of grade appeal committees, and the decisions of Fresh Start evaluation committees.

## Alcohol and Drug Policy

In order to provide students, faculty and staff an environment which will permit and enhance the achievement of its mission, Webber has established the following policies regarding alcohol, drugs and other controlled substances by its students and employees.

### Alcohol and Drugs

Alcoholic beverages are strictly regulated on campus or in residence halls. Only officially sponsored Webber functions in which alcohol is served, are permitted on campus. Students must show proof of age; University representatives and Webber will reserve the right to refuse alcohol to any student at a University sponsored function. A student living in the residence hall who is legal age may have alcohol inside his room. No open containers are allowed in the hallways, public areas or the grounds of the campus. The sale of alcohol without a license is prohibited. The resale of alcohol is prohibited. Keg parties and beer are not permitted in the residence hall area without specific permission from the Dean of Student Life.

Large quantities of any alcoholic beverages are not permitted in the residence halls. Students who are of legal drinking age, who wish to consume alcohol, may assemble in a residence hall room; however, loud boisterous behavior will not be tolerated. Students may not participate in "drinking games" or "funneling" which encourage excessive drinking. Hazing activities related to alcohol abuse are strongly prohibited. A student of legal age who is using alcohol is responsible for his behavior and the behavior of his guests and is subject to discipline for irresponsible behavior.

Students of legal age who supply underage individuals with alcohol or who permit underage individuals to use alcohol purchased by the legal age student are subject to discipline and legal action according to the laws of the state of Florida. Public intoxication while on University property or attending a University sponsored event is prohibited.

The possession or use of any controlled substance (drug) without a valid prescription is prohibited. Violations of the drug policy are very serious. A student suspected of violating this policy is subject to a thorough room search by University personnel. The University will request law enforcement to take action if needed. The University will provide full cooperation with local law enforcement agencies for alcohol and drug-related violations. A student who is formally charged by a proper prosecution attorney with drug violations, following an administrative hearing, may be suspended until his/her case is adjudicated. Any off campus facility such as a restaurant, club or hotel which hosts a Webber function is responsible for the distribution of alcoholic beverages in accordance with state law. ### **Health Risks Associated With the Use of Alcohol and Other Drugs**

#### **Alcohol**

Alcohol is a depressant drug which primarily affects the central nervous system (the brain and spinal cord). It is one of the few substances which can enter the bloodstream from the stomach and therefore, it is a rapidly acting drug. The majority of alcohol is absorbed from the small intestine. The effects of alcohol on the brain results in slowed thought process in a direct ratio with the quantity of alcohol consumed.

Continued and repeated use of alcohol will adversely affect every organ system in the human body. The physical effects of alcohol use include an increase in heart rate, elevated skin temperature, slurred speech and poor muscle coordination. The mental effects of alcohol use includes impaired judgment and reasoning, poor concentration and loss of inhibitions.

The long range effects of alcohol are often devastating. Drinking for extended periods will produce damaged brain cells which in turn will cause memory loss, hallucination, loss of concentration and mental disorders, Other effects are liver dysfunctions and diseases, degeneration of the digestive tract (such as ulcers and cancers), heart disease and bone and muscle degeneration
