

Webber International University
Job Opening for Fall 2019
Sports Performance, Health and Fitness Professor

Job Title: Assistant Professor and Program Coordinator of Sports Performance, Health and Fitness

Position Type: Full Time Faculty

Work Location: Babson Park, Florida

Posting Date: 3-25-2019

Closing Date: Open Until Filled

Salary Range: Commensurate with qualifications and experiences

About the Position

Webber International University in Babson Park, Florida invites applications for a full-time faculty member and Program Coordinator position in Sports Performance, Health and Fitness. Preference will be given to candidates who possess a terminal degree in Sport Health Science, Sports Management, Exercise Science or a related discipline. ABD's are considered only if they provide a completion date with definitive evidence of progressing towards this date. The successful candidate will demonstrate the ability to teach a wide variety of sports health and fitness courses, including exercise physiology, nutrition and weight management, and corrective exercise. The ordinary full-time faculty teaching load is 15 hours per semester and 3 hours in one of the summer sessions or 3 hours that are accomplished over 14 weeks. Each member of the Faculty is expected to have a minimum of 10 office hours per week during the Fall and Spring terms. Additional responsibilities will include advising undergraduates, committee service, and contributions to the university's interdisciplinary general education program. Review of applications will begin immediately and continue until the position is filled.

About the Requirements

Minimum Requirements

PhD or Master's in Sports Management, Sport Health Science or a related discipline from a regionally accredited university (or certified foreign equivalent). Must have 18+ graduate credit hours in the area of sports science/health/fitness. ABD's are considered only if they provide a completion date with definitive evidence of progressing towards this date.

Preferred Qualifications

Preference will be given to candidates who possess a terminal degree in Sport Health Science, Sports Management, Exercise Science or a related discipline. Related industry experience and/or teaching experience, especially at a small, student-centric school; evidences of teaching skills, on-line familiarity, understanding of social media/e-commerce and abilities to create lesson plans. Experience working with culturally diverse student populations. Preference will be given to applicants with effective face to face and on-line communication skills, who can teach a variety of undergraduate accounting classes in sports health and fitness.

About the University

Established in 1927 as one of the nation's first business schools for women (now coed for decades) and the first not-for-profit school chartered under Florida's educational and charitable laws, Webber International University now hosts men and women from some 45 different nations. We are a SACS accredited university.

Webber offers business degrees at the associate's and bachelor's levels (Associate's or Bachelor's of Science in Business Administration with majors in: Accounting, Computer Information Systems

Management, Criminal Justice Management, Finance, Hospitality and Tourism Management, Integrated Marketing Communications, Management, Sport Business Management, and a Bachelor of Science in General Business Studies), and at the master's level (MBA, MBA with an emphasis in Accounting, Criminal Justice Management, Sport Business Management, and International Business, respectively). The University also offers Bachelor of Arts in Psychology, Elementary Education, Middle Grades Teachers Education and Special Education degrees.

Webber International University is a teaching school. While there are expectations of scholarship and we have a well published Faculty, we are not a research institution and do not support research with either funding or release time. We provide some clerical support in the form of undergraduate work-studies, but we do not use teaching assistants. Our Faculty actually teach. Faculty interact with students outside the classroom and engage in professional development as well as become involved in the University and the local community.

Webber is a collegial, supportive campus. While Faculty members are appointed for one year terms at the discretion of the Chief Academic Officer (we do not grant tenure), several of our full-time Faculty have served greater than 20 years. While Webber pay is similar to that at other not-for-profit, tuition driven affordable colleges, our benefit package is fairly good.

Webber International University is an equal opportunity/affirmative action employer committed to provide equal employment opportunity to all persons regardless of race, color, sex, religion, national origin, age, disability, or veteran status.

How to Apply

For immediate consideration, please **email** a cover letter, your CV and unofficial graduate transcripts to **CAO@webber.edu**. If you have graduate education earned outside the United States, please send an unofficial copy of your transcript evaluation. If you are ABD, please send your completion plans. Deviating from these procedures, including making "courtesy calls" or "dropping by for a minute", generally bars a candidate from further consideration.
